# Press Release

## **CURBSIDE SERVICE ALERT**

“Due to the protracted Blizzard winter weather conditions Waste Management has suspended curbside trash/recycling services for two days.”

**Lowell, MA, January 26, 2014:** Waste Management (in conjunction with Lowell DPW) has chosen to SUSPEND curbside trash/recycling collection for TWO DAYS!

There will be NO Tuesday Route collection (Tues 1/27). ALL Tuesday customers will have their trash/recycling collected the following week (Tues 2/3). Each Tues. household will be allowed to place extra ‘overflow’ trash bags next to their cart – at no additional cost.

Collection will resume at 7 AM on Thursday, servicing Wednesday routes on a one day delay. Subsequently Thur. & Fri. routes will also ‘bump’ one day.

Updated collection interruptions will be posted at [www.LowellRecycle.org](http://www.LowellRecycle.org) and on the SW&R Hotline (978-674-4309); customized messages can be received by downloading the FREE **LowellRecycle** smartphone App.

### **Weather Delay - Schedule.**

**Tuesday** ‘trash/recycle’ Route ... **No Collection**... ‘skip’ one week, P/U 2/3

Wednesday ‘trash/recycle’ Route ... will be collected on Thursday 1/29

Thursday ‘trash/recycle’ Route ... will be collected on Friday 1/30

Friday ‘trash/recycle’ Route ... will be collected on Saturday 1/31

All existing Rules & Regulations apply: Ensure that your trash/recycling carts are not obscured by snow or buried in snow banks and are accessible from the street. Please keep cart lids closed.

For questions or comments contact: The City’s Solid Waste & Recycling HOTLINE at 978-674-4309 or Email: [recycle@lowellma.gov](mailto:recycle@lowellma.gov)
